

**Remarks/Arguments**

This application is a national stage filing of PCT application PCT/GB03/01663 filed on April 17, 2003.

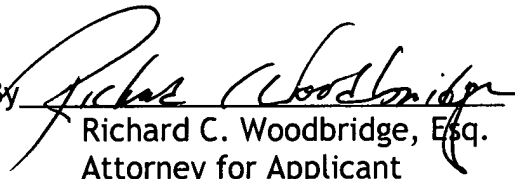

The amendment to the specification was made to include the priority information and to further clarify the invention. The amendment to the claims was made to remove the multiple dependency. No new matter has been added by making these amendments.

The U.S. Patent Office is hereby requested to examine the application based upon the application as amended.

If the patent examiner has any questions or comments, he/she is respectfully requested to contact applicants' attorney at the telephone number indicated below so that additional amendments may be added as required.

Respectfully submitted,

Eithan EPHRATI and Amir LANGER
